The Juneau Nordic Ski Club will use your donation toward the purchase a new snow machine and associated grooming equipment, enabling our volunteer groomers to continue providing the top quality Nordic ski conditions we all enjoy and have come to rely on.

Our fundraising goal for this equipment is \$16,000. Reaching this goal will take generous donations from all of those who are regular users of our ski trails. Please consider how much it is worth to you and your family to have groomed nordic trails available nearly every day of the week during the winter. Join us in giving generously to keep great skiing accessible to everyone in our community.
